A New Era of Surfaces

SUITABLE FOR WALL & FLOOR

Note: All tile samples shown in this document are also available in Matte Finish.

Matt finish need not hamper your mood. This tile series has a totally engaging outcome with metallic effects. Given the rustic finish, not only does it give a bit of vintage look but the carving effect on it plays with light at different times of the day and at different angles. Just like the jagged rock formations have a play with light.
